*Broad Creek Memorial Scout Reservation is a Maryland treasure, providing boys, girls, men and women the opportunity to learn and experience fellowship while in nature. The impact of BCMSR can only be measured by lives changed, passions born, souls connected, confidence built and knowledge gained.

"Campaign Ambassadors" will join forces with Friends of Scouting enrollers to deliver first-hand information on how everyone can help the Council to promote quality Scouting at the unit and community level as well as how to help with the revitalization work being planned for Broad Creek Memorial Scout Reservation.

The Galloway Lodge is Complete!

The Galloway Lodge at Camp Saffran has been torn down and built anew! The lodge is used as a Trade Skills and Handicraft building for summer camp while the rest of the year it is used as a multi-use program space. It has now been set up with workstations inside as well as welding and blacksmithing outside. The lodge was built fully ADA compliant, with a sidewalk connecting the building to the parking lot. The Galloway Lodge was built entirely from volunteer and ranger efforts. Thank you to our generous volunteers and rangers!
