## BALTIMORE AREA COUNCIL

June 7, 2021

Dear Scouting Friends, Family, and Supporters:

Baltimore Area Council (BAC) leadership continues to monitor COVID developments from local, state, and national authorities as it relates to the continual reopening of in-person Scouting activities and events.

**Please read the following guidance from the Council COVID-19 Task Force in affect June 7, 2021:**

- **As a reminder, Per Gov. Hogan's most recent order, masks are no longer required outdoors or indoors for fully vaccinated individuals.**
  - Please read the full guidelines [here](#) to ensure a full understanding as it relates to Gov. Hogan's most recent order.
- **As a reminder, Scouting District and Council events and activities should align with state and local jurisdiction guidelines.**
  - Please be respectful of those who choose to continue wearing masks for their safety.
- **For Units, be sure to seek guidance from your chartered partner as it relates to their approval and support of in-person meetings, events, and activities.**
- **Please note: Both the Maryland Health Department and CDC have issued specific guidelines for youth resident and day camps that you can read more about [here](#).**

We are glad to be moving in the right direction just in time for summer camp, however we ask that individuals continue to be cautious and use their best judgement as we continue to make positive strides. The COVID-19 Task Force will continue to monitor and conduct a monthly assessment of conditions to provide the best Scouting program while carefully considering the wellbeing of the entire Scouting Family and our community at large.
