## BALTIMORE AREA COUNCIL

August 3, 2020

Dear Scouting Family:

The Baltimore Area Council continues to closely monitor the COVID-19 outbreak to evaluate the safe delivery of Scouting activities and events. We appreciate the flexibility and understanding from each of you as we continue to adjust. The health and safety of our Scouts, families, volunteers, and staff continues to be our top priority.

At the beginning of July, Broad Creek Memorial Scout Reservation reopened to families to participate in three-day, two-night camping sessions. Check out this [link](#) for additional information about the family camp program and how you can participate. In addition to this family camping experience, we are pleased to announce that **with guidance from the BAC COVID-19 Task Force, the council will be resuming Unit Camping at Broad Creek starting Friday, September 4<sup>th</sup>**.

Units will need to receive permission from their Charter Organizations to participate in camping at Broad Creek. Further guidelines and registration for Unit Camping will be forthcoming and listed on the council website.

During August, we will continue to monitor the situation. If there is any change to local, state, or national government restrictions, Unit Camping may be affected.

Thank you all for your patience and for continuing the Scouting program. We look forward to seeing our Units back at Broad Creek!

Stay safe, and Scout On!
