Kandersteg International Scout Centre (KISC)

Kandersteg is a Scout Camp located 65 kilometers south of Bern, the capital of Switzerland, in the Bernese Alps. KISC began in 1923 with Lord Baden-Powell, the founder of World Scouting, who after the first World Scout Jamboree had a dream about a place where all Scouts from all over the world could meet. His dream came true and now YOU have the opportunity to visit Kandersteg International Scout Centre and live YOUR Dream! It couldn't be easier to reach Kandersteg whether by road, air or using the world famous Swiss rail network. For more information [click here.](#)

2021 World Scout Moot in Ireland

Imagine a high-adventure World Scout Jamboree for young adult Scouts, but on a smaller scale. Learn new cultures and make lasting friendships while participating in a variety of activities designed by the host country. One thing that sets a Moot apart from a Jamboree is that the first half of the program takes place on the trail at sights all around the county and the second half is where all the participants come together in a jamboree-style gathering! The word *moot* is Old English and means “an assembly held for discussion.” That’s Moot—a once-in-a-lifetime World Scouting experience!
