	+ 51 other pairs, 8 other triples, so 109 younger teams totaling 246 younger scouts Ryan Clyde & Alex Clyde 209 on Score O'	128	

Thanks for taking part: 57 units, 480 scouts (virtually all doing two or more O' courses) and 160 "participating adults" orienteered for a total of 640 orienteers, a great turnout, especially considering our Nor'Easter.

The Score Orienteering in the afternoon saw nearly every unit do well, in a tough park in tough conditions! Before dividing into the raw score above, "# of p.m. pairs" above is adjusted to factor the % of older vs. younger, & the lowest score or two for larger troops is effectively dropped. (We encourage troops to bring as many scouts as possible, experienced or not!) Ten or more scouts have long been required in order to win the top troop award patches; units with <10 either combine with others (above) or are listed above in the "smaller troop" category. Super Advanced & triples on the list above count as a "pair." "Route O' avg" includes Super Advanced results. NCAC is Nat'l Capital Area Council; NBOF is New Birth of Freedom Council. V=Venture G=Girl Scout
