

Broad Creek Memorial Scout Reservation Skilled Trades Workday Saturday, November 6, 2021

Broad Creek—1929 Susquehanna Hall Road, Whiteford, MD 21160

Overview: Broad Creek Memorial Scout Reservation located near Whiteford, Maryland is comprised of over 1,700 acres and has been operated by the Baltimore Area Council for nearly 75 years since 1948. This tract of land is the largest privately owned undeveloped property in Harford County.

Annually more than 20,000 youth and 10,000 adults participate in programs and camping at Broad Creek learning leadership, self-reliance, and how to interact with others. The amount of Broad Creek and Scouting alumni residing in the greater Baltimore area is significant.

Our goal for this event is to engage skilled tradesmen and other adult volunteers to come together for a one day workday to help maintain and continue to improve the facilities of Broad Creek Memorial Scout Reservation for future generations.

Details:

- Review the list of projects on the following page. If you have your own group/company, you can take on an entire project and identify a project/team leader.
- We will be holding a project review meeting on October 14th, 2021, 4:00pm, at Broad Creek to review the projects and materials needed for completion.
- A continental breakfast and hearty lunch will be provided to all participants beginning at 8am, with all work projects starting no later than 9am.
- If you/your group is not able to attend on the November 6th workday, but would still like to complete a project at another time, please contact the Scout Service Center as listed below.
- You can also sign up as an individual to help out where needed.
